

Setting up for Telehealth - Physiotherapy

1. Ensure you have a current **email address** which you can access easily. *We will use this to send your appointment links.*
2. **Choose a device.** Laptop, desktop or iPad that you can access emails. *By clicking the appointment link in the email, you will go straight into meeting.*
3. Download Google Chrome if using laptop or desktop. *Google Chrome will trigger you to allow mic and video on your device, making it easier.*
4. Ensure you have an uncluttered environment and appropriate clothing is worn to assess injured site.
5. You're ready to go!!

Our aim is to make this as simple as possible for you. If you require any assistance with setting up your device for Telehealth, please don't hesitate to call us on 08 9622 5335.
