

Insurance and Indemnity Policy

In Balance Health (IBH) requires Therapists and Contractors to hold Professional Indemnity Insurance and requires regular proof to be provided by employees of this coverage.

IBH maintains an extensive Public Liability and Indemnity Insurance Policy as well as all business contingency, contents and electrical equipment policies required.

IBH provides the following information to the insurance broker to establish level of cover required by the insurance policy.

IBH provide services as below:

- Speech Pathology
- Physiotherapy
- Occupational Therapy
- Exercise Physiology
- Personal Training
- Other support services
- Team assessment and treatment sessions with a combination of the above professions
- Individual and Group programs
- School
- Centre and home-based service options
- Information Sessions on a range of topics
